### From the Post Commander — Allen Young

Greetings Comrades!

Greetings everyone! I hope that you are enjoying your new year. As I write this it, is 62 degrees out in March. What a beautiful day! We hope you got out and enjoyed it. I am also hoping that this will continue, looking forward to summer.

I will start with the next following months are probably the busiest and most important time of the year for the Post. It is the time of the year we elect new officers and set the priorities for the upcoming year. We have a lot of important decisions coming up as to the future of the Post and I cannot empathize the importance of volunteers and their impact on the Post.

Now we have a couple of big events in the near future that we want you to be aware of. The first one is Poppy Days on 16-17 May. This is a great event and Poppy sales are our only fundraiser to build the Soldier's Relief account which is used to help veterans and their families when in need. It is our signature event and it is the event we need everyone's help with. We are ALWAYS looking for volunteers to help out for a few hours or a whole day. Please mark your calendars and thank you in all in advance for volunteering your time for this great event.

On May 20<sup>th</sup>, we will be having our Memorial Service honoring those Post members we lost this year between April 1, 2024 and March 31, 2025. We encourage you to please attend. Invitations are being sent to the families that have lost a Post or Auxiliary member. If you know of someone not on the "Taps" list, please contact the Post so we can get the notices out to the proper people.

The very next week is Memorial Day. The Post celebrates this day by honoring those who died while serving in the United States Armed Forces. We will be holding a ceremony at Forest Hill Cemetery in Woodland at 0900, then quickly transitioning to decorating a trailer and participating in the Memorial Day Parade in West Duluth. Don't forget about free Sloppy Joe's at the Post immediately following the parade! Come celebrate with us!

As the proud Commander of Veterans of Foreign Wars Post 137, McConnell-Modeen, I would personally like to ask for your support of an upcoming building fundraiser. We moved to Proctor from West Duluth, to help expand our outreach in the community and allow positive impacts for many groups and individuals. We recently obtained the building next to the Post which will allow for much needed expansion of the limited space we currently have and add additional parking.

We need your support to make this vision a reality. Every dollar raised brings us one step closer to providing this vital space for veterans and our community. Join us in this mission ... donate today and help us build a future that honors our hero's and uplifts our youth. Your generosity means everything to us and the community we serve. I want to add that we could not have done ANY of this without the incredible generosity of our members and our friends.

We will have to do A LOT of updates to the building to make it our own, so if any members would like to help or support the Post, please feel free to reach out and contact any of the officers. The Post is always looking for thoughts or suggestions to make it a better experience for you. The officers and myself feel the future is bright for VFW Post 137!

Recently, we have been short for volunteer bartenders and cooks so if you would like to help out, or possibly get yourself a part time job, please come down to the Post and help out – even if it's just for a night or two a month. Above all, THANK YOU! The Post gets bigger and better every day and it cannot and would not happen without all of you!

God Bless America!

## VFW Presents 2025 Legislative Priorities — VFW National Legislative Team met in Washinton D.C. last month to advocate for the their 2025 legislative initiatives.

These are the VFW's priorities:

- ⇒ **Budget** — To fully fund programs for veterans, service members, and their families, Congress must:
  - Ensure sufficient, timely appropriations and proper budget oversight for VA.
  - Authorize VA to receive reimbursements from TRICARE and Medicare.
  - Never reduce one veteran's benefits to pay for another.
  - Modernize and reform VA and DOD programs that do not meet the needs of service members, veterans, and families.
- ⇒ **Disability Assistance & Memorial Affairs** — To ensure veterans & their survivors have timely access to earned benefits, Congress and VA must:
  - Crack down on unaccredited claims consultants known as Claim Sharks.
  - Study all toxic and environmental exposures, and implement programs to ensure health care and benefits are provided to all exposed service members and veterans.
  - Properly oversee and update the modernized appeals process, digital claims processing, and antiquated examination process.
  - Increase Dependency and Indemnity Compensation, burial allowances, and other benefits for survivors.
  - Improve the accuracy of disability compensation claims related to military sexual trauma.
  - Ensure that earned VA benefits are never unjustly reduced.
- ⇒ **Education, Employment, & Transition Assistance** — To ensure veterans succeed after leaving military service, Congress, VA, DOD, and DOL must:
  - Improve education benefits through modernized online student housing allowances, child care stipends, parity for Guard and Reserve members, and elimination of delimiting dates.
  - Enhance outreach and counseling to veterans eligible for the Veteran Readiness and Employment program.
  - Ensure parity of VA and DOD education programs with other federal programs.
  - Expand small business, hiring preference, tax incentives, and entrepreneurship resources for veterans and military spouses.
  - Increase funding for HUD-VASH vouchers, grant and per diem payments, and pilot programs to combat veteran homelessness.
  - Conduct oversight of VA's Transition Assistance Program to ensure compliance with the law, and require the inclusion of accredited claims representatives.
  - Eliminate red tape preventing effective use of education and employment benefits.
- ⇒ **Health Care** — To ensure service members and veterans receive timely access to high-quality health care without increasing cost shares, Congress, VA, and DOD must:
  - Eliminate service member and veteran suicide.
  - Reform the dysfunctional community care program at VA.
  - Strengthen care and research for mental health and traumatic brain injuries.
  - Research the efficacy of plant-based alternative therapies for PTSD.
  - Improve oversight of Vet Centers to ensure adequate staffing, resources, and funding.
  - Enhance programs and services for women and underserved veterans.
  - Preserve the integrity of TRICARE.
  - Properly implement VA and DOD health IT systems.
  - Expand nursing home eligibility and long-term care options.
  - Modernize care for veterans outside of the United States.
- ⇒ **National Security, Foreign Affairs and POW/MIA** — To fully support the all-volunteer force, protect our nation's citizens, and defend American interests around the world, Congress and DOD must:
  - Ensure DPAA is fully funded to perform its personnel recovery mission.
  - Deter threats to our national security by supporting our allies in Ukraine, Israel, Korea, and Taiwan.
  - Ensure all service members who served in harm's way, to include foreign nationals, translators, and allies receive the recognition, care, and benefits they may have earned.

⇒ **Military Readiness** — To maintain a quality, comprehensive benefits and retirement package that is the backbone for preserving the all-volunteer force, Congress and DOD must:

- Enhance quality of life and health care programs that allow service members to focus on the mission.
- Ensure equity of benefits for Reserve Component service members.
- End the military retirement pay and VA disability compensation offset.
- Provide benefits enrollment for all transitioning service members.
- Eliminate sexual assault and harassment from the military.
- Increase military base pay comparability with private sector wages.
- Ensure that military housing and work spaces are safe and modern.
- Eliminate food insecurity in the military.

### \*\*\* POPPY DRIVE UPDATE \*\*\*

There will be a planning meeting for the Poppy Drive on 22 April at the Post. Volunteers will be needed to help put bags together for all the collection sites. We are also looking for volunteers to sign up for the collection sites at the various local Super One Food Stores. It's never too late to volunteer. Please call the Post (218-727-1912) for more details if you are able to work at a collection site. The dates for collection are May 16-17. Your help is greatly needed and much appreciated. The money raised for Poppy's help supplement our Soldier's Relief Fund, our sole source to help veterans in need. Please call Marilyn Nelson (218-940-3316) for more details.

### CHAPLAIN'S CORNER

#### The Golden Rule

Most of us have probably heard of the Golden Rule. It is found in the gospel of Matthew, which is the first book of the New Testament. When Jesus began his ministry, he delivered a lengthy teaching that's referred to as The Sermon on the Mount. He delivered this teaching while seated with his disciples on a hillside. Arrayed in front of him was a huge crowd of people. Jesus delivered this message to them: we should love and care for others and live a moral life. Jesus taught that people should be kind and forgiving, and that they should live in right relationship with others. At one point in this lengthy sermon, Jesus says "So in everything, do to others what you would have them do to you." Jesus knew the human heart and it's selfishness. He describes the human heart as being innately evil. Jesus' Golden Rule gives us a standard by which naturally selfish people can gauge their actions: actively treat others the way they themselves like to be treated. Do you want to be shown respect? Then respect others. Do you crave a kind word? Then speak words of kindness to others. This is a teaching that we can all benefit from by applying it to our lives in the way we treat and interact with others. I suggest that we ask God to help us live by the Golden Rule. It is an excellent way to live in these troubled and tumultuous times.
